Nominations should include support materials and/or work samples.

Excellence in Folk and Traditional Arts – Recognizes master folk and traditional artists and the forms of artistic expression and practices that reflect Idaho’s many cultural traditions. This award may be for individuals or for a group if required by the art form. Nominations should include work samples that document artistry.

Support of the Arts – Recognizes volunteers, corporations, and organizations or communities that have made a significant contribution to the arts in Idaho. Nominees are evaluated on years of support for the arts, impact of support, and kind of support. Nominations should be supported with published background material.

Nominations are based on years of commitment to arts education, advocacy for arts education, and overall impact on arts education in Idaho. Nominations should be supported with published background material.

Excellence in Arts Administration – Recognizes professional administrators and those responsible for the leadership of their organization for exceptional service and for demonstrating a significant impact on the arts in their communities and in Idaho.
